

King County Home Ownership Program

Since 1999, thousands of King County employees have taken advantage of this outstanding benefit; saving thousands of dollars when buying or selling a home, or refinancing an existing home. The **King County Home Ownership Program** is designed to meet the individual needs of each county employee. So, if you are a first time home buyer, a seasoned buyer or seller, or anyone in between, you can benefit from the great savings this program has to offer.

For more information on the **King County Home Ownership Program**, come to one of the free classes listed below. The class gives you the chance to learn about the program in detail. Plus, because education is key, the class provides basic home buying, selling and refinancing information to ensure that you make an informed decision about your financial future.
